

Steve Tandy

Steve has many years as a professional entertainer under his belt & has become very popular as an after dinner speaker due to his ability to tailor his material to the audience in front of him.

His impressions of television stars & sporting personalities mixed with gags & stories about his career gives you a speaker with a difference. From stars of Coronation Street to Jim Davidson, Jethro, Julian Clary & his hilarious tribute to Rolf Harris - his act has to be seen to be believed!

A keen golfer, Steve has participated in many corporate and company golf days, taking part in the golf on the day & using the events of the day as part of his speech in the evening.

His impressions of Alex Hey, Peter Alliss & Seve Ballesteros go down particularly well. Steve will also, if asked, present the prize giving (with hilarious results) which only adds to the enjoyment of the day.

Steve has entertained at golf days for; Birmingham City, Northampton Town, Calor Gas, Allibert, JBS, Norflex, ANC, Wrexham & many, many others.

Steve's talents have also taken him far afield including; Singapore for a dinner for Tim Muntons' benefit year, Monte Carlo for Lloyds/TSB, Belize, Holland & Germany for various company dinners & golf days. However, one of his favourite moments was speaking at a dinner in the House Of Lords during Andy Mole's benefit year.

He is also very popular at sportsmen's dinners & has worked with many of the top sports personalities on the after dinner circuit. Steve has also been engaged on many occasions to provide a light-hearted ending to a conference day.

So in conclusion, if you require a speaker with a difference, along with a wealth of experience, then Steve Tandy is for you!
